

Creating a Belle Haven Marina MindBody Account

All Belle Haven Marina customers will need to register for a BHM MindBody account, even if you have a MindBody account with another business that uses MindBody for booking services. You will only need to do this once.

First, go to [Belle Haven Marina's MindBody page](#). Enter your email in the "Create an Account" section and click "Next."

Enter all required contact information, including adding family members if applicable. All youth summer camp students must be registered in this way, nested under a parent/guardian. **Although they are not listed as required fields, you must enter the child's birthdate and you must also select "Yes" next to "Paid for by..." or you will be unable to sign up for camps.** Then click "Create Account."
